

KPE Research Courses: Prerequisite Form

The application process consists of two forms (Prerequisite Form and Advisor-Student Agreement Form) which both need to be completed in order for the application to be considered complete. Emailed applications will not be accepted. The Advisor-Student Agreement Form should be completed in collaboration with your faculty advisor.

Students intending on enrolling in any of the KPE390Y/490Y/495H/Y courses are advised to contact potential faculty advisors as soon as possible. We recommend reaching out before the end of May as many faculty are out of the office from June to end of August. Each faculty member can accept only a limited number of students.
