

KPE399 Research Inquiry Applications Course: Prerequisite Form

The application process consists of two forms (Prerequisite Form and Supervisor-Student Agreement Form) which both need to be completed in order for the application to be considered complete. Emailed applications will not be accepted. The Supervisor-Student Agreement Form should be completed in collaboration with your faculty Supervisor.

Students intending on enrolling in KPE399H are advised to contact potential faculty supervisors as soon as possible. We recommend reaching out before the end of May as many faculty are out of the office from June to end of August. Each faculty member can accept only a limited number of students.
