## EQUITY STATEMENT

The Faculty of Kinesiology and Physical Education (KPE) is committed to providing an inclusive and welcoming environment that nurtures a culture of belonging. We strive to address and remove structural barriers in education, sport, and recreation through the cocreation of diverse and meaningful opportunities for equity-deserving communities within the faculty's teaching, research, programs, and services. These barriers are rooted in historical and ongoing inequities including but not limited to colonialism, racism, sexism, heterosexism, ageism, classism, ableism, religious-based and gender-based discrimination. As part of an institution complicit in contributing to colonial processes, we are also committed to reconciliation by building relationships with Indigenous communities to learn about the diversity of Indigenous Nations, create Indigenous spaces, and enact anti-colonial practices. Grounded in an inclusive framework, we will work to co-create purposeful change with our diverse KPE communities.

# BEFORE YOU START: COURSE ENROLMENT FAQ

1. **When does the 2026 Summer session start and end?**  
Summer courses run in condensed time-frames compared to the regular academic year.

- First term: May 4, 2026 - June 15, 2026 with exams June 18 – 24, 2026
- Second term: July 2, 2026 – August 12, 2026 with exams August 15 – 22, 2026

See p. 7 for important dates and deadlines.

2. **What is the KPE course delivery mode for the 2026 Summer?**

The delivery mode for BKin courses, for the 2026 Summer, will be a combination of in person, hybrid, and synchronous delivery modes. See [BKin Timetables website](#) for KPE course offering details for 2026 Summer.

3. **Can I enrol in this course?**

Check prerequisites, corequisites, and exclusions before enrolling in your course.

Refer to the [course description](#) listings in the [KPE](#)

[Academic Calendar](#) for up-to-date prerequisite and exclusion listings.

You will be **removed from a course if you do not fulfil** the prerequisite requirements and exclusion rules.

[Timetable Builder](#) will let you know if a course is only available to certain students (e.g., only Rotman students): Click "Enrolment Controls" > Show Explanation.

4. **When and how can I enroll in courses for the 2026 Summer session?**

Course enrolment start date: **April 6, 2026 at 6am ET** for both KPE courses and St. George Campus Arts & Science courses

Enroll in a course on [ACORN](#).

See p. 9 for more details.

5. **Where can I find the list of courses for the 2026 Summer session?**

- [BKin Timetables Website](#)
- [Timetable Builder](#)

See p.6 to learn about course codes

## 6. Am I part-time or full-time for 2026 Summer?

All students are assigned part-time status for the Summer 2026 session by default and allowed to enroll in up to 1.0 credits, which you can use in the first (F) or second (S) term.

If you intend to enroll in **more than 1.0 credit**, you will need to meet with a KPE Academic Advisor to ensure you make an informed decision: [Book an appointment](#)

Your enrolment status (part-time or full-time) is determined based on your total course load in the 2026 Summer session in first term (F) + second term (S), not by term.

- Part-time: Enrolment in 0.5 - 1.0 credits
- Full-time: Enrolment in 1.5 - 2.0 credits

## 7. I am currently enrolled in 2 half courses (or 1 full course) for the 2026 Summer session.

### Why am I unable to enroll in more courses?

For the Summer 2026 session, you are assigned part-time status (0.5-1.0 credits) by default so you can enroll in **up to 2 half courses or 1 full course** including waitlisted courses.

If you intend to enroll in **more than 1.0 credit**, you will need to meet with a KPE Academic Advisor to ensure you make an informed decision: [Book an appointment](#)  
See p. 9 for more detail on full-time vs. part-time status

## 8. Why am I unable to enroll in an Arts and Science course?

Some Arts and Science courses are only available to a specific group of students or you need approval from department/academic unit.

Check “Enrolment Controls” noted in the [Timetable Builder](#) for the course you intend to enroll in.

## 9. I am on the waitlist. Would I be able to enroll in the course?

Course registration numbers will fluctuate as the registration period progresses, and you will be moved off the waitlist should capacity become available in a course for which you are waitlisted. We recommend that you have a plan in the event that you cannot secure a spot in a course which has reached its capacity, and encourage you to [make an appointment](#) with a KPE Academic Advisor should you need assistance with your academic planning

## 10. How will my tuition fee be determined for the 2026 Summer session?

For the summer session, fees are charged as follows:

- **Tuition fees:** charged on a per-course basis

- **Incidental fees:** charged based on part-time or full-time enrolment.

For all other summer session fee information and refund schedules, visit [Tuition Fees & Schedules](#)

## 11. Am I eligible for OSAP during the 2026 Summer session?

If you received full time OSAP at U of T in the 2025-26 academic year and meet the [minimum course enrolment requirements](#) for the 2026 Summer session, you could use the U of T summer OSAP Extension application on [ACORN](#) to request additional funding.

If you did not receive Full-Time OSAP in the 2025-26 academic year, submit an application on the [OSAP website](#). You are eligible for full-time OSAP if you will be enrolled in 1.0 credit in a single summer term or 1.5 credits across both summer terms.

## 12. I applied for/submitted OSAP Extension application or Out of Province financial aid. How will my tuition be paid?

If you have applied for financial aid for the 2026 Summer session, make sure you request **a tuition deferral online on [ACORN](#) by April 22, 2026**. See the [U of T Registrar’s website](#) for more details about [Tuition Fee Deferral](#).

## 13. What should I do when I am FINCA’d?

To be considered a registered student, you must be enrolled in courses and have paid the [Minimum Payment to Register](#) (MPR) or have [deferred your fees](#) by April 22, 2026. Paying or deferring your fees changes your status from INVIT to REG. If your fees are not paid or deferred on time, your sessional registration will be “Financially Cancelled” (FINCA), and your course enrolment will be cancelled.

If your status is “FINCA” on ACORN, contact the KPE Office of the Registrar and Student Services with proof of payment of [Minimum Payment to Register](#) (MPR) as soon as possible so your status can be changed to allow you to enroll in courses. Keep in mind that there is no guarantee that you would be able to enroll in all courses you were originally enrolled in before you were removed from courses. If you have questions about FINCA, contact the KPE Office of the Registrar and Student Services at [undergrad.kpe@toronto.ca](mailto:undergrad.kpe@toronto.ca).

**14. Can I get assistance with course selection and academic plans for the 2026 Summer session?**

Yes! KPE Academic Advisors are available to meet with you to discuss your academic plans and options. Reach out early to book an appointment with a KPE Academic Advisor! You can book an appointment with a KPE Academic Advisor via the [online Academic Advising Appointment booking site](#).

If you have questions or need assistance with booking an appointment, contact the KPE Office of the Registrar and Student Services at [undergrad.kpe@utoronto.ca](mailto:undergrad.kpe@utoronto.ca).

**15. I need enrolment confirmation for the 2026 Summer session from the Office of the Registrar and Student Services for RESP withdrawal.**

KPE Undergraduate students can obtain a Letter of Confirmation via [ACORN](#) free of charge.

[Please review the steps to generate a Letter of Confirmation on ACORN.](#)

If you have any questions or if you are unsure if the Letter of Confirmation is the letter you are looking for, please email [undergrad.kpe@utoronto.ca](mailto:undergrad.kpe@utoronto.ca) and provide details on what information you need in the letter and for what purposes.

## BEFORE YOU START: UNDERSTANDING COURSE CODES

A course is an academic activity which is recorded with a result on the academic history. A passed course normally gives academic credit towards completing a degree and may help complete a program of study. There are “full” (Y) and “half” (H) courses each with a different credit weight.

**Course code is the unique identifier of every course** which is used in the [Academic Calendar](#) and information systems like [ACORN](#) and [Degree Explorer](#). The course code breaks down further into these sections:

Element	Examples	Explanation
<b>Course Code</b>	<a href="#">KPE100H1</a> , <a href="#">KPE390Y1</a>	<ul style="list-style-type: none"> <li>• KPE100H1 - Physical Cultural Studies</li> <li>• KPE390Y1 - Directed Research</li> </ul>
<b>Course Designator</b>	KPE	<ul style="list-style-type: none"> <li>• This three-letter designator identifies the program offering the course.</li> <li>• In these examples, KPE refers to the Faculty of Kinesiology and Physical Education.</li> </ul>
<b>Course Number</b>	100, 390	<ul style="list-style-type: none"> <li>• Every course in a program has its own identifying digits.</li> <li>• As the course numbers go up, broadly they indicate more advanced or more focused study.</li> <li>• For-credit courses run from “100-level” (starting with a 1) all the way to “400-level” (starting with a 4)</li> <li>• The “level” does not restrict student access. For example, a third-year student could take 100- to 400-level courses, but a <i>first-year student should be careful taking 200- or high-level courses.</i> <i>Please keep in mind that course prerequisites must be met.</i></li> </ul>
<b>Course Weight</b>	Y (1.0), H (0.5)	<ul style="list-style-type: none"> <li>• This is only one of two letters, either a “Y” or an “H”.               <ul style="list-style-type: none"> <li>○ Y: “full course”; A full course (Y course) is worth 1.0 credit.</li> <li>○ H: “half course” A half course (H course) is worth 0.5 credit.</li> </ul> </li> </ul>
<b>Campus Indicator</b>	1	<ul style="list-style-type: none"> <li>• This digit indicates the campus where the course is offered.</li> <li>• In the KPE Academic Calendar, normally a course has a “1” (one), indicating the downtown St. George Campus.</li> <li>• Other indicators include a “0” (zero) meaning it is taught off-campus, a “3” (three) meaning it is taught at U of T Scarborough, or “5” (five) meaning it is taught at U of T Mississauga.</li> </ul>
