A MESSAGE FROM CAMP U OF T

Welcome to Camp U of T! We offer an innovative range of programs designed to promote healthy, active lifestyles for children and youth. As part of the University of Toronto's Faculty of Kinesiology and Physical Education (KPE), Camp U of T boasts a quality of instruction unmatched by other camp programs. Our sport instructors include senior KPE students and members of U of T's intercollegiate teams. Our Mini University instructors are senior undergraduate or graduate students in education, or the field of study in which they are instructing. All of our staff members are committed to providing campers with the experience of a lifetime.

Camp U of T offers a safe, fun and inclusive environment that gives campers a broad range of experiences and opportunities to try new things, make new friends and learn new ways to enjoy sport, recreation and play. Additionally, we continue to help each and every camper develop their physical literacy skills in each of our camps. A focus on fundamental movement and sport skills provides an essential foundation for campers to become more confident in participating in physical activity. Research shows that kids who have fun while participating in physical activity are more likely to stay active and healthy for life!

Looking for something new? Try our new Stop-Motion Animation Camp or our NOT Sports Camp, which was a hit last year and is back again. This camp is for youth who want to play non-traditional sports such as innertube water polo, KIN ball and quidditch!

We are looking forward to a very special 2017 summer here at Camp U of T. See you at camp!

Jen Leake,

Manager Children & Youth

AGE GUIDELINES

Age guidelines for Camp U of T programs have been set to be appropriate for the developmental stage of the child, the facility in which the program is held and the program goals. Your child's safety and enjoyment of our programs are of paramount importance to us and we ask that all parents and guardians adhere to these age guidelines.

In programs for 4 – 7 year-olds, the child must be the appropriate age by the first day of camp; this is for the safety of all campers and staff, particularly around swimming and supervision. We will not accommodate any requests for age exception in these age groups and we reserve the right to ask for proof of age.

In all Camp U of T programs for children ages 8 and older, the participant must be the appropriate age BEFORE December 31, 2017.

If your child is too young to participate this year, we look forward to seeing him/her in our programs next year! If you would like to enrol your older child in a program that is set for younger children, please contact us to discuss the specifics.

INCLUSION AND SUPPORT

Camp U of T teaches fundamental movement and sport skills to children and youth. We strive to make camp an enjoyable and physically active experience for all campers. Campers are expected to be able to participate in the full camp experience with minimal adaptation, or an aide may be required.

During camp programs, if Camp U of T staff feel that a camper requires support in order to ensure a safe and positive camp experience for that camper and other campers in the group, the parents will be requested to provide an aide or alternative arrangement.

Parents are encouraged to complete the Camp U of T intake form in order to assist with preparing for your child to attend camp. You will be contacted by a member of the Camp U of T administrative team to discuss the information. Information is kept confidentially and only shared with instructors and assistant instructors as needed. We appreciate your full disclosure in order to provide a safe environment for your children.

If your child requires, or would benefit from, an inclusion aide there are three options available:

Aide provided by parents

The parent can provide an inclusion aide/support worker. The aide will be required to review a code of conduct, expectations and emergency procedures. A signed agreement is required. There is no additional fee for aides supplied by parents.

Aide provided in partnership with Reach for the Rainbow

Camp U of T partners with Reach for the Rainbow, www.reachfortherainbow.org, to provide opportunities for children to participate in Camp U of T. Please contact Reach for the Rainbow for details including intake, costs and registration.

Aide provided by Camp U of T

Parents/guardians have the option to register and request an aide from Camp U of T. These aides are assistant instructors with an interest in inclusion and some additional training. There is a partial cost-recovery fee for this service of \$230 in addition to the registration fee for a five-day camp week (based on \$5/hour for 40 hours). Children of U of T students will pay a fee of \$130 for a five-day camp week; proof of student status is required.

ALL CAMPERS SHOULD:

- Wear comfortable clothing and running shoes — sandals are NOT permitted in sport and activity camps, including Mini University.
- Bring a jacket or sweatshirt for cool days.
- Bring a bathing suit and towel for swim days.
- Bring a hat and sunscreen for outdoor activities — all campers will go outside occasionally — please be prepared!
- Bring a water bottle (no glass please).
- Bring a substantial lunch and healthy snacks; no nuts or nut products please.

All equipment will be provided unless otherwise stated.

Camp U of T is partnering with Mabel's Labels to help ensure that your child's belongings return to them! Funds raised by labels purchased through the fundraising link will be used to establish subsidies for Camp U of T beginning in 2018.

Visit www.campuoft.ca to find the link and more information!

SWIMMING

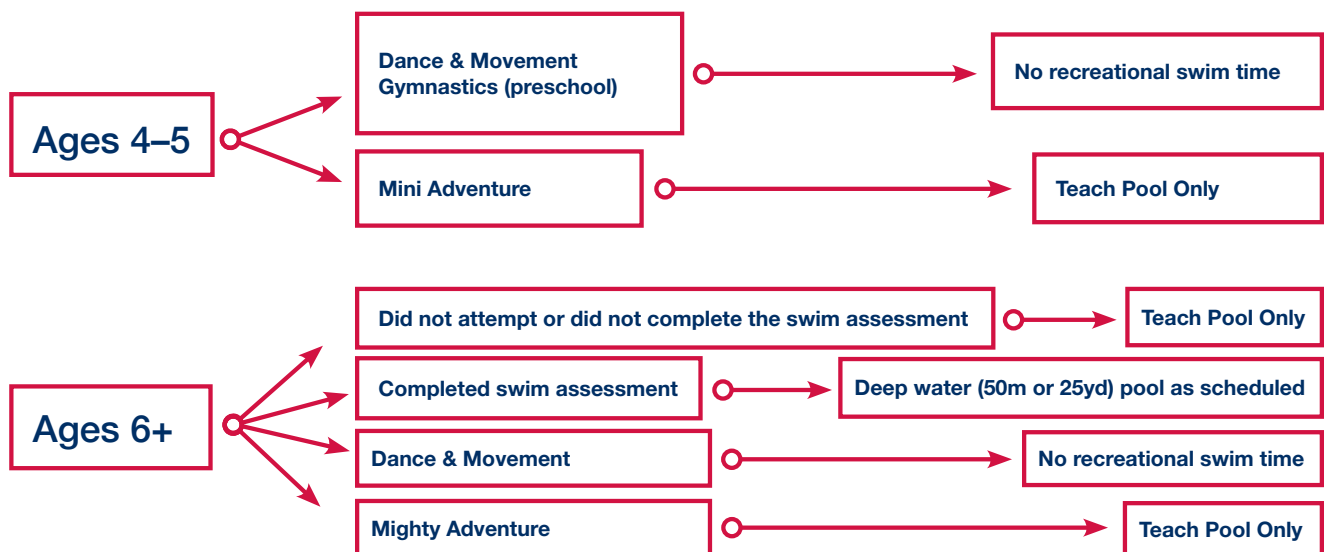

Campers who are over 6 years of age and enrolled in a session that includes recreational swim times must successfully complete a swim assessment to swim in deep water. The swim assessment is held in deep water in the 50m or 25yd pool and consists of jumping into deep water and submerging, completing a 25m front swim, followed by one minute of treading water.

Mighty Adventure Camp swims in the teach pool only due to facility scheduling restrictions.

Please review the camp description carefully to understand how frequently, and in what facilities, your child may swim. While in the pool campers are supervised by their camp instructors and certified lifeguards.

The teach pool is available for participants who choose not to attempt the swim assessment or those who do not complete the assessment. All participants will be given a wrist band indicating which pool they swim in. Please leave the wrist band on for the entire camp session.

The following camp programs do not participate in the recreational swim: Gymnastics preschool, and Dance & Movement.

Certification programs: Junior Blues offers various Lifesaving Society certification courses during the summer. Visit www.juniorblues.ca for more information.

MORE THAN COUNSELLORS

When camp is finished, many counsellors compete at the highest level of sport while pursuing a degree at Canada's top university. Bring your kids to a game and watch as their role models inspire them to reach new heights.

Cheer on your Blues! Visit varsityblues.ca for game schedules and times.
