

UNIVERSITY OF TORONTO
FACULTY OF KINESIOLOGY & PHYSICAL EDUCATION

JOB POSTING – POSTDOCTORAL FELLOW

Area of Research: Sport Ecology

Description of duties:

- Support grant-funded research on climate adaptation in the Canadian sport sector (70%);
- Participate in regular lab meetings and professional development training (15%);
- Provide administrative support to public outreach and education projects related to sport ecology (10%);
- Other light duties, as required by the supervisor (5%).

Salary: 60,000

Required qualifications:

- The successful candidate must hold a **PhD** in kinesiology, sport sociology, sport management, OR in environmental studies, environmental policy, or a related field.

Application instructions

All individuals interested in this position must submit a cover letter (no more than 1 page), CV, names and contact information for 2 references, and a sample publication to Dr. Madeleine Orr (madeleine.orr@utoronto.ca) by the closing date.

Closing date: August 15, 2024

Supervisor: Dr. Madeleine Orr

Expected start date: September 1, 2024

Term: September 1, 2024 to August 31, 2025

FTE: 100%

The normal hours of work are 40 hours per week for a full-time postdoctoral fellow (pro-rated for those holding a partial appointment) recognizing that the needs of the employee's research and training and the needs of the supervisor's research program may require flexibility in the performance of the employee's duties and hours of work.

Employment as a Postdoctoral Fellow at the University of Toronto is covered by the terms of the CUPE 3902 Unit 5 Collective Agreement.

This job is posted in accordance with the CUPE 3902 Unit 5 Collective Agreement.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from racialized persons / persons of colour, women, Indigenous / Aboriginal People of North America, persons with disabilities, LGBTQ persons, and others who may contribute to the further diversification of ideas.
