**Summary:**

KINections is a co-curricular student life initiative to develop and enhance a sense of community and belonging for KPE students. KINections aims to improve the overall well-being of KPE students through pillars of connection: Mentorship; Health and Wellness; Global Citizenship; Community Engagement; Career Development; Research Exploration; and Equity, Diversity and Inclusion.

This program will focus on development and delivering events and activities for KPE students, by KPE students, complementing their academic experience.

The Health and Wellness Pillar will be responsible for developing and delivering activities related to improving KPE students overall health. In the past these activities have included physical activity classes in dance, yoga, and HIIT; Skating Socials, guided walking tours (in collaboration with EDI) to name a few.

Under the direction of the KINections Coordinator, the Program Assistants will be responsible for:

Assisting in the planning of the 2022 - 23 activity plan.
Assisting with the development of programs and initiatives
Promoting and organizing events
Administrative support for the pillar and working groups
Organization and maintenance of the all materials related to the pillar activities, including but not limited to creation and file management of pillar meeting agendas and minutes, tracking meeting and activity attendance, activity plans and workback schedules and final reports
Maintaining communication with alumni panelists, pillar members and groups collaborating and supporting the pillar activities
Connecting with student representatives to create collaborative opportunities
Coordinating, scheduling and staffing/ volunteers for pillar meetings and activities
Presenting the KINections initiative and the Faculty of Kinesiology & Physical Education as requested

Below are the competencies for this role. Students will select 3 to appear on their co-curricular record.
Collaboration
Communication
Critical thinking
Goal-setting and prioritization
Project management
Teamwork

Minimum Qualifications:

Education:
Must be a University of Toronto St. George student enrolled for 2022/2023 school year at the Faculty of Kinesiology and Physical Education. All years of undergrad, graduate (including MPK) are encouraged to apply.

Domestic undergraduate and graduate degree students enrolled in at least 40% course load continuously from September to April, totaling, at least 2.0 credits (e.g. the minimum would be 0.5 credits in one session and 1.5 credits in the other).
International undergraduate and graduate students studying on a full-time basis (part-time NOT eligible), continuously from September to April (check your enrollment status on ACORN), subject to federal government requirements (please see the Government of Canada website for rules and regulations).
Qualify for the Work Study Program - Learn more here https://clnx.utoronto.ca/myAccount/jobs/work-study/aboutws.htm

Skills:
Reliability, punctuality and maturity are essential
Interested in student engagement
Excellent oral and written communication skills
Strong organizational and time management skills
Problem solving ability
Ability to work independently
Appreciation of diversity issues and respect for individual choices
Knowledge of Microsoft Office, Sharepoint and Canva an asset
You must have access to a computer, internet, webcam, mic and smartphone
You must be accessible for at least one weekly check-in with your supervisor from Monday to Friday; the weekly check-in day(s) and time(s) will be set so as to be mutually convenient and scheduled in advance
You will be expected to independently manage your duties and hours weekly and enter all hours worked on a time sheet for review by your supervisor adhering to all deadlines
You will be expected to attend full team meetings several times a year
While there is some flexibility with work hours, there are some firm deadlines that must be met in order to meet our deliverables. Firm deadlines will be communicated by your supervisor.
In this position you will have access to confidential information. You will be required to sign a confidentiality agreement ensuring that you manage confidential information appropriately.

Other: Please note that final confirmation of this position is dependent on approval by the work study program.
Interviews will take place the first week of September, 2022.
