Summary:	<p>The successful candidate will work as part of the Aquatics team to lead fun, safe and educational certification courses. They will have an understanding of all aspects of applicable course content and teaching methodology; explaining, demonstrating, teaching; and evaluating specific skills and techniques as designated by the curriculum standards. Ability to adapt teaching techniques to meet needs of a variety of learners. The Certification Course Instructor may also be required to open and secure pool area and/or classroom spaces. Additional duties may include pool/class set-up and take-down and equipment (i.e. computer) maintenance. Professionalism is demonstrated by arriving to allow sufficient preparation time, and beginning and ending classes punctually. Instructors are expected to act in a manner that is representative of both KPE and the assigned governing body. All course pre-requisites must be verified before the start of the class. Core plans/course outlines and daily lesson plans must be created and shared with management staff prior to the start of the course. Instructors are responsible for continuously evaluating and documenting participants’ performance and providing timely verbal and written feedback to candidates regarding their participation and ability to meet the communicated course standards. Attendance must be recorded; certification courses require 100% participatory attendance. Test sheets and certification cards are to be completed by the end of the course. All instructional staff must understand and follow all KPE policies and procedures. Other duties may be assigned.</p> <p>Instructors are needed for the following programs:</p> <p>Programs for U of T Students and Members:</p> <ul style="list-style-type: none"> • Standard First Aid (Lifesaving Society & Canadian Red Cross) • CPR-C (LSS & CRC) • Bronze Medallion with Emergency First Aid (LSS) • Bronze Cross (LSS) • National Lifeguard (full course & recertification) (LSS) • Airway Management (LSS)
