Reading Weeks and Sessional Breaks

There will be a Reading Week in each of the Fall and Winter terms. No academic classes will take place during these weeks.

Fall term: November 7-11, 2022

Winter term: February 20-24, 2023

There will be no classes held during the following weeks between terms.

December 21, 2022 – January 6, 2023

Delivery Mode Code Description

INPER	In Person meeting sections require attendance at a specific time and physical location for most or all activities.
HYBR	Hybrid meeting sections involve a mix of online and in-person interaction and require attendance at a specific time and physical location for some activities.
SYNC	Online Synchronous meeting sections require online attendance at a specific time for some or all activities. Attendance at a specific location is not required with the exception of final or interim assessments, which may require attendance at a specific physical location.
ASYNC	Online Asynchronous meeting sections do not require attendance at a specific time or location for any activities, with the exception of final or interim assessments, which may require attendance at a specific time and specific physical location.

*Definitions apply to the course as a whole (e.g., the combined experience of lecture / lab / tutorial).

Statement Regarding In-Person Learning

The University of Toronto delivers academic programs through an in-person learning environment. All students should therefore plan to attend on-campus activities in-person in order to successfully complete their program/ degree unless: (i) students have been approved by the University to participate in off-campus activities (such as study abroad or work terms), or (ii) the calendar entry for a program/degree explicitly states that no in-person activities are required.

While the University strives to maintain an in-person learning environment, the University reserves the right to alter the manner in which it delivers its courses and co-curricular opportunities in response to health and safety emergencies and public health guidance.
