*included in tuition invoice when you add course on ACORN

Enrolment in Outdoor Projects

Enrollment in ODP100H1, ODP200H1 and ODP300H1 will commence on ACORN starting at 6 a.m. on July 13, 2022.

COMBINED ODP Programs

There are two combined ODP options offered this year for students who started at KPE in both 2019-20 (ODP100H1, P103) and 2020-21 (ODP100H1, P102), that will allow them to obtain credit for both ODP100H1 and ODP200H1.

Third Year ODP Registration Procedures

Enrolment in the third year ODP camps takes place via ACORN. Additional information about registration for ODP301H1 and ODP302H1 will be available later in the Fall term. Waiting lists will not be active for the third year ODP courses.

Medical, Diet and Emergency Contact Information (REQUIRED)

Once you have enrolled into the ODP course via ACORN, you will receive an email from the course instructor, Prof. Jack Goodman, requesting students to complete the required medical, diet, and emergency contact information (via [Quercus](#)).

Detailed Course Information

Outdoor project course outlines including camp descriptions, clothing and equipment lists will be available on the ODP course [Quercus](#) webpage prior to camp departure.

Cancellation & Refunds

ODP course enrollments must be cancelled on ACORN by the published ancillary fee refund deadline for a full refund. Refer to the [Student Accounts website](#) for published refund deadlines. Students wishing to cancel their ODP after these deadlines should contact undergrad.kpe@utoronto.ca for assistance.

If you are unable to attend the camp because of illness or uncontrollable circumstances (documentation required), please contact undergrad.kpe@utoronto.ca to arrange for a refund. Camp fees cannot be transferred to a future outdoor project.

IMPORTANT: The Outdoor Projects are Peanut/Nut-free

DO NOT BRING FOOD/SNACKS CONTAINING PEANUTS OR NUT PRODUCTS

Please respect your fellow students who may have life-threatening peanut and/or nut allergies
