You may be seen by an undergraduate or post-graduate student in addition to the supervising clinician.* A physician must prescribe all therapy. Our orthopaedic surgeons require a direct referral from one of our sport physicians. Please check with your extended health care plan to see if your treatment is covered. All members of your medical team have access to your electronic medical records (EMR). Our EMR complies with privacy legislation.

Physician Visits

Your valid provincial health care plan will cover the cost to see one of our Sport Physicians. If you are a resident of Quebec, **unless you are a current student at U of T**, you will need to pay up front, and our physician will complete the 'Out-of-Province' claim form for you to submit for reimbursement.

If you are not covered by a provincial health plan, OR do not have a valid health card, you will need to pay the cost of your appointment.

Therapy Visits /Missed Appointment/Same Day Cancellation Policy (See our posted Fee Guideline)

Non-Students: Each session is payable at the time of your visit.

Students: All currently registered U of T students must be assessed and referred to therapy by one of our Sport Physicians.

We require **24 hours** notice for cancelling appointments, emergencies notwithstanding. If you book within the 24 hour time frame, the policy is in effect immediately.
