**Summary:** The successful candidate will work as part of the Children & Youth co-curricular program team as well as with Athletic & Varsity Centre facilities and main office staff members. The Coordinator – Child & Youth Track & Field is responsible for mentoring, training and supervising instructors in the Junior Blues track program as well as assisting with program promotion/marketing, the delivery of the curriculum and the general safety, security and enjoyment of track & field for participants in the program. We are looking for an energetic, committed and responsible person who works well with children and is an effective team builder and communicator. Administrative duties will include assisting with hiring, maintaining class lists, coordinating equipment and establishing and maintaining positive contacts with parents/guardians. This position reports to the Assistant, Children & Youth through to the Manager, Children & Youth. Other duties include;

- Mentoring and supervision of Track and Field – Child & Youth Instructors including assistance with hiring, training development and delivery, coaching and feedback to strengthen the program and communicating with the athletic instructor/manager(s) as required.
- Consistent application of all facility and program protocols including age guidelines, waitlists, prerequisites, facility access and security, etc. through communication with parents, participants and staff.
- Customer Service and conflict resolution to participants and parents, including knowledge of programs, policies and options, empathetic, calm and a clear communicator,
- Administrative tasks including reports and statistics, knowledge of regulations including FIPPA, WHMIS and Employment Standards Act. Preparation for report cards, certifications and inventory as needed. Assistance with payroll, tracking contracts and certifications.
- Assisting with program design and delivery to adhere to curriculum standards, assisting with lesson plans/core plans for instructors and evaluation of skills. Working with instructors to ensure that teaching styles are effective for a variety of learners.
- Responsible for building and maintaining positive group dynamics and ensuring that all children participate, learn and enjoy their time in the program
- Ensure that all children are treated with fairness, respect and understanding,
- Assist in facilitating the inclusion of children with disabilities into the program
- Assistance with program promotion in the community
- Responsible for building and maintaining positive group dynamics and ensuring that all children participate, learn and enjoy their time in the program
- Ensure that all children are treated with fairness, respect and understanding,
- Curriculum design and training of instructors in program delivery
- Will be required to instruct in the program.
