P0124	Friday 1 - 3	Friday 1 - 3	Friday 1 - 2

Not all Labs/Tutorials meet every week. See detailed schedules in course outlines (you will **not** be double booked for labs or tutorials).

For example: if you choose section P0108 you would be scheduled on Fridays from 9 – 11 a.m. in the fall term and 9 a.m. – 12 p.m. in the winter term.

- Choose a KPE100H1 tutorial time + draw the tutorial into your Winter timetable.

STEP 3: Plan your Other Division elective

- 0.5 Full Credit Equivalent (FCE) of Other Division electives is required for the first year of the KPE undergraduate degree program.
- Consult the Arts and Science 2021-2022 Timetable for the courses offered:
- <https://www.artsci.utoronto.ca/current/dates-deadlines/course-timetables>
- A second term (S section code) elective is recommended to balance your timetable.
- Search for courses using Course Finder: http://www.acorn.utoronto.ca/course_finder.php
- Choose a course that you are interested in and that fits into your timetable + draw this course into your timetable.
- Do not enrol in courses that conflict with your schedule.
- Note: it is a good idea to have several back-up plans for your elective course selection.

STEP 4: Enroll in your courses on ACORN - <http://www.acorn.utoronto.ca/>

- Now that you have a plan, you need to officially enroll in your courses on ACORN
- Course Enrolment for KPE courses begins on **July 13, 2021 at 6 a.m. EDT**
- Course Enrolment for Arts and Science courses begins on **August 4, 2021 at 6 a.m. EDT**
